AfD's 26 January 2020 remembrance statement identifies Jörg Meuthen and Tino Chrupalla as its federal spokespeople and attributes to them an acknowledgment of the Nazi murder of European Jews.

This dated party record establishes the named speakers and their published position. It is not evidence that every member shared that position or that these were their offices at all later dates.

In a 9 March 2021 party statement, Meuthen and Chrupalla condemned Holocaust denial and minimization and said the federal board had initiated exclusion proceedings against a Bavarian member over a vaccine–Zyklon B comparison.

This is the party's account of its stated position and steps it said it took. The statement does not establish completed expulsion, every member's beliefs, or the party's entire present position. It is relevant counterevidence to a blanket claim that the national party denies the Holocaust.
