Topic membership helps navigation. It does not establish a factual or causal connection.

* “dismissals upheld” reflects district rulings; DOJ appeals pending. A propagandist draws the dotted edges solid. An investigator marks them dotted — and names who could make them solid.

The week (Aug 24–30 · Brief 003 · primary-record): the Supreme Court grants the 26A124 stay on Aug 24, day 28, holding courts “review final rules, not proposed rules”; 26A139 denied as moot — the USPS→SCOTUS adjacency closes to [A] · the rule publishes Aug 26, 91 FR 54966, effective Aug 21 · Judge Talwani finds the government violated her injunction by sending it (“The Supreme Court accepted the government’s feigned compliance”), vacates that injunction, then restrains seven parts of the rule to Sep 10 · DOJ ends the Federal Register absence with a Feb 14 letter published as scanned images — the §3 report under a §2 heading · World Liberty’s own counsel certifies UAE citizenship, new [A] edge UAE→WLF, no percentage stated · Treasury launches Operation Economic Outcast, new [A] edge TREASURY→IRAN · EO 14421 declares a bulk-power emergency reaching installed equipment · four corrections to this corpus’s own anchors (C-013–C-016). Every new causal edge is dotted. Prior window (Aug 17–23 · Brief 002): USPS files the enjoined rule at 9 p.m. Aug 21 — new node; the Chief Justice alone stays the ballroom injunction, 26A203; Phang: no contempt, “duplicative” on a certified transcript; AIFC Q2 marks WLF I –71%.

Björn Höcke → AfD Thüringen

[A] State spokesperson • 2024 court record

documented • VG Weimar rejected AfD Thüringen's challenge to three passages in the 2021 state intelligence report. The court's 28 August 2024 release says the agency could characterize a remembrance post by state spokesperson Höcke, which omitted Holocaust victims, as historical revisionism.

This is the court's summary of oral reasons in 8 K 1272/23 We, an administrative reporting dispute. The release expressly said the judgment was not final and written reasons were not yet available. A later appellate disposition remains unresolved. The source identifies AfD Thüringen as the regional party organization and Höcke as its state spokesperson; it does not establish a criminal Holocaust-denial conviction.

Rainer Lanzerath → AfD

[A] Member · conduct in 2018

documented · The European Court of Human Rights records that AfD member Rainer Edmund Maria Lanzerath was convicted in Augsburg on 23 August 2019 and fined €4,500 for two counts of Holocaust minimization under § 130(3) StGB.

His banner and earlier online image compared a yellow Star of David marked 1933–1945 with the AfD logo marked 2013–?. He argued that he was protesting marginalization of AfD members. The courts found the comparison blatantly minimized the Holocaust. The decision identifies individual membership and a congress setting; it does not establish party commissioning or adoption, or Holocaust denial.

Jörg Meuthen → AfD

[A] Federal spokesperson · 2020–21

documented · AfD's 26 January 2020 remembrance statement identifies Jörg Meuthen and Tino Chrupalla as its federal spokespeople and attributes to them an acknowledgment of the Nazi murder of European Jews.

This dated party record establishes the named speakers and their published position. It is not evidence that every member shared that position or that these were their offices at all later dates.

documented · In a 9 March 2021 party statement, Meuthen and Chrupalla condemned Holocaust denial and minimization and said the federal board had initiated exclusion proceedings against a Bavarian member over a vaccine–Zyklon B comparison.

This is the party's account of its stated position and steps it said it took. The statement does not establish completed expulsion, every member's beliefs, or the party's entire present position. It is relevant counterevidence to a blanket claim that the national party denies the Holocaust.

The reproduced prospectus table lists \$675 million in bond proceeds, \$75 million in capital and \$55 million from other sources. Wilbur Ross → Rothschild Inc.

[A] Executive managing director · 1990

documented · A 2005 SEC-filed Mittal Steel biography identifies Wilbur L. Ross as a former executive managing director of Rothschild Inc., with that employment ending in March 2000, and as CEO of WL Ross & Co. from April 2000.

This issuer-filed biography supports Ross's identity and the employment boundary. His later roles cannot automatically be attributed to his former employer. An institutional, ownership or financial continuation needs a separate dated record. The early-finance packet also identified differing historical start years in a later Senate questionnaire; that discrepancy does not change the shared 1990 employment interval.
