Björn Höcke → AfD Thüringen

State spokesperson · 2024 court record · Evidence [A]

- VG Weimar rejected AfD Thüringen's challenge to three passages in the 2021 state intelligence report. The court's 28 August 2024 release says the agency could characterize a remembrance post by state spokesperson Höcke, which omitted Holocaust victims, as historical revisionism.

This is the court's summary of oral reasons in 8 K 1272/23 We, an administrative reporting dispute. The release expressly said the judgment was not final and written reasons were not yet available. A later appellate disposition remains unresolved. The source identifies AfD Thüringen as the regional party organization and Höcke as its state spokesperson; it does not establish a criminal Holocaust-denial conviction.

Rainer Lanzerath → AfD

Member · conduct in 2018 · Evidence [A]

- The European Court of Human Rights records that AfD member Rainer Edmund Maria Lanzerath was convicted in Augsburg on 23 August 2019 and fined €4,500 for two counts of Holocaust minimization under § 130(3) StGB.

His banner and earlier online image compared a yellow Star of David marked 1933–1945 with the AfD logo marked 2013–?. He argued that he was protesting marginalization of AfD members. The courts found the comparison blatantly minimized the Holocaust. The decision identifies individual membership and a congress setting; it does not establish party commissioning or adoption, or Holocaust denial.

Jörg Meuthen → AfD

Federal spokesperson · 2020–21 · Evidence [A]

- AfD's 26 January 2020 remembrance statement identifies Jörg Meuthen and Tino Chrupalla as its federal spokespeople and attributes to them an acknowledgment of the Nazi murder of European Jews.

This dated party record establishes the named speakers and their published position. It is not evidence that every member shared that position or that these were their offices at all later dates.

- In a 9 March 2021 party statement, Meuthen and Chrupalla condemned Holocaust denial and minimization and said the federal board had initiated exclusion proceedings against a Bavarian member over a vaccine–Zyklon B comparison.

This is the party's account of its stated position and steps it said it took. The statement does not establish completed expulsion, every member's beliefs, or the party's entire present position. It is relevant counterevidence to a blanket claim that the national party denies the Holocaust.

The reproduced prospectus table lists \$675 million in bond proceeds, \$75 million in capital and \$55 million from other sources. Executive managing director · 1990 · Evidence [A]

- A 2005 SEC-filed Mittal Steel biography identifies Wilbur L. Ross as a former executive managing director of Rothschild Inc., with that employment ending in March 2000, and as CEO of WL Ross & Co. from April 2000.

This issuer-filed biography supports Ross's identity and the employment boundary. His later roles cannot automatically be attributed to his former employer. An institutional, ownership or financial continuation needs a separate dated record. The early-finance packet also identified differing historical start years in a later Senate questionnaire; that discrepancy does not change the shared 1990 employment interval.

Ladder Capital Corp → Ladder Finance LLC

Listed subsidiary · 2025 exhibit · Evidence [A]

- Ladder Capital Corp's subsidiary exhibit filed with its 2025 Form 10-K lists both Ladder Capital Finance LLC and Ladder Capital Finance I LLC under lending and real-estate debt subsidiaries. Both exact names also appear in Trump's 2025 liability disclosure.

This establishes a dated common corporate-group connection. The exhibit does not specify ownership percentages, direct-parent layers or subsequent assignments. The creditors remain separate legal entities and their mortgages have different reported statuses; common group membership does not merge their roles.

TREASURY • BESSENT → OFAC

Treasury office issuing license • Sep 2026 • Evidence [A]

- Treasury's OFAC issued General License CC on September 4, 2026. It permits specified wind-down transactions involving the three named Golden Global entities and entities they own at least 50 percent of, individually or together, through 12:01 a.m. EDT on September 19, 2026.

Payments to blocked persons must enter a blocked, interest-bearing U.S. account. Paragraph (b) retains other prohibitions under E.O. 13902 unless separately authorized. The license is a limited exception to sanctions, not an unblocking order or a general permission to continue business. The expiry is a scheduled boundary, not an observed future event.
