Treasury's OFAC issued General License CC on September 4, 2026. It permits specified wind-down transactions involving the three named Golden Global entities and entities they own at least 50 percent of, individually or together, through 12:01 a.m. EDT on September 19, 2026.

Payments to blocked persons must enter a blocked, interest-bearing U.S. account. Paragraph (b) retains other prohibitions under E.O. 13902 unless separately authorized. The license is a limited exception to sanctions, not an unblocking order or a general permission to continue business. The expiry is a scheduled boundary, not an observed future event.
