Evidence & context

DOCUMENTED RECORD • COMPANY FILING: GOVERNANCE ROLES

ALT5's August 29, 2025 filing distinguishes Eric Trump's observer designation from Zachary Witkoff's accepted chairman appointment. It also records WLF's right to nominate two directors and certain observation rights.

These are separately described roles in Item 5.02. The filing does not appoint Eric as a director. It separately describes Zachary Folkman's conditional director appointment. The earliest event on the cover is August 25; August 29 is the filing date, not a proven effective date for every role. Later changes require later records.
