VG Weimar rejected AfD Thüringen's challenge to three passages in the 2021 state intelligence report. The court's 28 August 2024 release says the agency could characterize a remembrance post by state spokesperson Höcke, which omitted Holocaust victims, as historical revisionism.

This is the court's summary of oral reasons in 8 K 1272/23 We, an administrative reporting dispute. The release expressly said the judgment was not final and written reasons were not yet available. A later appellate disposition remains unresolved. The source identifies AfD Thüringen as the regional party organization and Höcke as its state spokesperson; it does not establish a criminal Holocaust-denial conviction.
