PUBLISHED WEEKLY RECORD THROUGH 2026-08-30 • RESEARCH REGISTRY UPDATED
2026-09-23

Next records to check

Which legal entities represented lenders or creditors in each restructuring?

LAST CHECKED: 2026-09-08 • OPEN

Creditor-side Rothschild Inc./Ross work and the later Ross personnel bridge are supported. The underlying engagement, committee appointment and fee records remain unresolved; blocked archive scans are not verified absence.

Next check: Retrieve the Taj creditor-committee engagement and fee records; identify exact legal entities in each later loan, advisory, ownership or compensation document before testing a continuing institutional bridge.

Corrections & source provenance

Do later instruments establish a continuing institutional or financial bridge?

LAST CHECKED: 2026-09-08 • OPEN

The checked disclosures identify named creditors and a common Ladder group; the Ross personnel bridge is separately documented. A later Rothschild institutional or financial bridge remains unresolved.

Next check: Inspect executed loan instruments, assignment chains, adviser engagements and compensation records; reconcile 2026 maturities and payoffs against later originals.

Add the September 21 Curtis request, connect four new map relationships to their source records, and trace disclosed donations to a documented reception offer while preserving historical map records.

[Claim: curtis-presidential-families-request-20260921](#) · [Topic: Pay-to-play & corruption](#) · [Path: freedom250-payment-and-reception-offer](#)

How this record grows. The topic registry supplies these pages and the map filters. New evidence can suggest topics; recorded review accepts or rejects those suggestions. A source establishes only what it actually records. Historical editions and superseded claims remain accessible.
