[A] Campaign video appearance · Jan 2025

documented · AfD's own account of its January 25, 2025 campaign launch in Halle identifies Alice Weidel as its chancellor candidate and records Elon Musk addressing the event by live video.

This party-authored record establishes the event's account of participation and candidacy. Its characterizations of government roles and its campaign rhetoric are not adopted here as independent findings. Participation alone does not establish Trump authorization or operational coordination.
