This is a scheduled date, not a result or outcome forecast. State-specific administrative deadlines require their own current official records.

DOCUMENTED RECORD · OFFICIAL SANCTIONS-LIST ACTION

On September 4, 2026, Treasury’s OFAC added Golden Global Yatirim Bankasi Anonim Sirketi, Golden Global Varlik Kiralama Anonim Sirketi and Golden Global Portfoy Yonetimi Anonim Sirketi to its sanctions list under the Iran E.O. 13902 program.

The official entries distinguish the bank, leasing company and portfolio-management company. The map records the U.S. designation action; it does not turn a program label into a finding that Iran owns these companies. The entries link the latter two entities to the bank without specifying an ownership percentage in this notice.

Payments to blocked persons must enter a blocked, interest-bearing U.S. account. Paragraph (b) retains other prohibitions under E.O. 13902 unless separately authorized. The license is a limited exception to sanctions, not an unblocking order or a general permission to continue business. The expiry is a scheduled boundary, not an observed future event.

DOCUMENTED RECORD · ISSUER-FILED SUBSIDIARY LIST AND DISCLOSURE

Ladder Capital Corp's subsidiary exhibit filed with its 2025 Form 10-K lists both Ladder Capital Finance LLC and Ladder Capital Finance I LLC under lending and real-estate debt subsidiaries. Both exact names also appear in Trump's 2025 liability disclosure.

This establishes a dated common corporate-group connection. The exhibit does not specify ownership percentages, direct-parent layers or subsequent assignments. The creditors remain separate legal entities and their mortgages have different reported statuses; common group membership does not merge their roles.

VG Weimar rejected AfD Thüringen's challenge to three passages in the 2021 state intelligence report. The court's 28 August 2024 release says the agency could characterize a remembrance post by state spokesperson Höcke, which omitted Holocaust victims, as historical revisionism.

This is the court's summary of oral reasons in 8 K 1272/23 We, an administrative reporting dispute. The release expressly said the judgment was not final and written reasons were not yet available. A later appellate disposition remains unresolved. The source identifies AfD Thüringen as the regional party organization and Höcke as its state spokesperson; it does not establish a criminal Holocaust-denial conviction.

His banner and earlier online image compared a yellow Star of David marked 1933–1945 with the AfD logo marked 2013–?. He argued that he was protesting marginalization of AfD members. The courts found the comparison blatantly minimized the Holocaust. The decision identifies individual
